Pre Need Funeral Plans

Our funeral plans are no longer fully guaranteed but instead we have introduced a Triple Guarantee

1. Guaranteed Funeral Services - This means the family will not pay a penny more for our funeral services included within their plan.
2. Guaranteed Growth - Financial contributions to other services contained within the plan are guaranteed to grow each year, helping to protect them against rising costs for things we can't control.
3. Guaranteed Acceptance - If you are between 50-75 years old you are guaranteed to be accepted, without any medical or lifestyle questions.

Please note that should the financial contribution towards a service be less than the amount stated in the plan then the difference can either be used as towards the cost of additional services (e.g. flowers) or be returned to the family estate (by way of next of kin). Your family will only be asked to pay more at the time of the funeral for services if the cost of these exceeds the available contribution after the growth has been applied. Holding a service at a Fosters parlour is subject to the availability at the time of the funeral. If this facility is not available, or if the customer wishes to have the service elsewhere, the £100 can be used as a contribution towards associated costs.
